

South Dakota Department of Education  
Statewide Conditions for Learning  
Indicator 5 – School Climate Survey  
Workgroup  
Chamberlain, South Dakota  
October 29, 2012  
10:00–4:00

**Purpose:** Stakeholders from throughout South Dakota will continue their work regarding conditions for learning (school climate) under the proposed ESEA waiver—Indicator 5.

**Outcomes:** Workgroup members will

- A) Come to consensus on a definition of “school climate”;
- B) Discuss and develop measurement tools for students, parents, teachers, and administrators on the issue of school climate; and
- C) Discuss the indicator 5 written plan that will go to the State Board of Education.

---
